

SEMINAR WITH SHIHAN JULIAN MEAD, 6 DAN

Ryukyu Kobujutsu & Karate 9-10 March 2002

Shihan Mead has practised karate and the traditional weapons of the Ryukyu islands for nearly 30 years, of which he has spent six in Japan. Apart from being one of Europe's most competent practitioners of kobujutsu, he has an inspiring personality and is constantly in demand as an instructor at seminars all over the world. Needless to say, we are proud to welcome shihan Mead to Sweden in the spring.

The seminar will be open to all practitioners of the martial arts, regardless of style and art. Shihan Mead will be focusing on the long staff, bo, mainly in kumite and kata, but also include some karate kata and bunkai.
